Web Site Updated Regularly

Keep up to date with what is happening at the pool. Bookmark the website address (see below) and sign-up for the monthly email blasts by using the contact page on the website or by emailing the following: contact@oaktreeparkcabanaclub.com. More details of the Homeowners pool party will be made available soon – via the web site. NOTE: It is unlikely that (apart from the AGM notifications) we will distribute any more newsletters – so the website really is your place for all Cabana and pool information.

Friendly Reminders

Please remember to keep the street clear and move your cars on Street Sweeping Days. Our streets are swept on the second Monday of each month. Also, please remember to be courteous to your neighbors and clean up any lawn clippings left by the curb after the weekly garbage collection.

Social Poll

It's been a few years since the board had a social for all the homeowners at the pool and we'd like to gauge the interest in starting these back up. We'd like as many people as possible to come and in particular would love to see those residents that may not use the pool often but would still like to meet their new and old neighbors.

We put together a poll to see what kinds of socials (some with kids, some without) people would be most interested in. **We would very much appreciate you spending two minutes to take the poll sometime before 05/12.** If only a few people take the poll then we'll assume that there is little interest in participating in socials. We are hoping to get a great response to verify interest in socials and to help us determine what kinds are most popular - and then to start planning some events. We're all looking forward to summer - which is just around the corner!
